In the Matter of

Grupo Resilient International Inc.

File No. 500-1

**ORDER OF SUSPENSION OF
TRADING**

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension of trading in the securities of Grupo Resilient International Inc. (f/k/a Paradise Ridge Hydrocarbons, Inc.) (CIK No. 0001320734) because of questions regarding the adequacy and accuracy of statements in the company's September 7, 2017, press release about the company's provision of Hurricane Harvey disaster relief, including claims that the company had added a "FEMA approved contractor" to the board of its subsidiary and that the company was currently deploying workers and preparing to deploy a network of mobile broadband trailers to assist with Hurricane Harvey relief efforts in Houston. There are also questions regarding the adequacy and accuracy of other statements made in the company's prior press releases. Grupo Resilient International Inc. is a Florida corporation whose principal place of business is located in Addison, Texas. Its stock is quoted on OTC Link (previously "Pink Sheets") operated by OTC Markets Group, Inc. under the ticker symbol GRUI.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on September 22, 2017, through 11:59 p.m. EDT on October 5, 2017.
